

Annie Chiu, MD

Board-Certified, AMERICAN BOARD OF DERMATOLOGY, 2007

TRAINING AND EDUCATION

M.D., STANFORD UNIVERSITY, 2003

Dermatology Residency, EMORY UNIVERSITY, 2007

B.S., Summa Cum Laude, UNIVERSITY OF CALIFORNIA AT BERKELEY, 1997 (GPA: 4.0)

DERMATOLOGY EXPERIENCE

- 2012-current *Owner, Board-Certified Dermatologist, The Derm Institute, Redondo Beach, CA*
- 2010-2012 *Director and Board-Certified Dermatologist, Murad Medical Group, El Segundo, California*
- 2007-2010 *Board-Certified Dermatologist, Cedars-Sinai Medical Group, Cedars-Sinai Health Associates, Department of Dermatology, Beverly Hills, California*

AWARDS and ACADEMIC HONORS

- 2009 Women's Dermatologic Society, Young Physicians' Representative
- 2007 Winner of Signature Sponsor/Lupo Scholarship: Cosmetic Boot Camp
- 2007 American Academy of Dermatology Leadership Forum, selected participant
- 2007 Women's Dermatology Society Academic Research Grant (\$6000)
- 2007 3M Pharmaceuticals Grant for Skin Cancer Screening Project Planning (\$6000)
- 2006, 2007 Resident Advocacy Training Program for Skin Disease Research Day
- 2006 Society of Investigative Dermatology, Residents' Retreat (51 residents)
- 2004 California Medical Association Resident Representative Sponsorship for Annual Legislative Day in Sacramento, California
- 2001 Asian American Role Model Endowment (\$1000)
- 2000 Stanford University, Stanford Medical Scholars Fellowship (\$10,000)
- 2000 American Academy of Dermatology's Minority Mentorship Program (\$1000)
- 1997 University of California at Berkeley, University Medal Finalist for leadership and academic ability
- 1997 Alpha Phi National Founder's Award for leadership, community involvement, and scholastic distinction
- 1997 Christine Huber Award for community service and scholastic excellence (\$2000)
- 1994-1997 Dean's List Honoree, every quarter
- 1994-1998 Golden Key Honor Society; Pre-medical Honor Society; Order of Omega Honor Society
- 1994 Edward Kraft Scholarship for outstanding undergraduate accomplishment (top 1% of Freshman)

Annie Chiu, MD

PRODUCT DEVELOPMENT AND RESEARCH EXPERIENCE

- 2010 *Principle Investigator*, Product Development, Murad Inc
Research Topic: Double-Blinded Placebo Control Study on Dual Phase Moisturizer Formula
- 2010 *Principle Investigator*, Product Development, Murad Inc
Research Topic: Double-Blinded Placebo Control Study on Age Reform Hydrodynamic Moisturizer
- 2006-current *Co-Principle Investigator*, Department of Dermatology, Emory University
Research Topic: Dual Doctor marriages: A survey study exploring gender roles and the professional and family lives of doctors who marry other doctors
- 2004-2009 *Associate Investigator*, Department of Dermatology, Emory University
Research Topic: An Open-label Pilot Study to Evaluate the Safety of Efalizumab in Adults with Bullous Pemphigoid as a Steroid-sparing Adjunctive Treatment
Role: Lead protocol writer, study contributor.
PI: Suephy Chen, MD, MS; Robert A. Swerlick, MD
- 2000-2002 *Associate Investigator*, Department of Dermatology, Stanford University
Research Topic: The Response of Skin Disease to Stress; Changes in the Severity of Acne Before and After Exams
PI: Alexa B. Kimball, MD, MPH; Professor and Director of Clinical Trials, Stanford Dermatology
Role: Self-initiated study, with lead roles in study design, protocol preparation and IRB submission, responsible for all clinical assessments of subjects, clinical data collection, analysis, and manuscript preparation.
- 2000-2002 *Associate Investigator*, Department of Dermatology, Stanford University
Research Topic: A Double-Blinded, Placebo-Controlled Trial to Determine the Role of a Combination of Systemic and Topical Green Tea in Improving Skin Appearance and Protecting from Damage Secondary to Ultraviolet Radiation
PI: Dr. Alexa B. Kimball, MD, MPH; Professor and Director of Clinical Trials, Stanford Dermatology
Role: Lead roles in study design, protocol preparation and IRB submission, baseline physical exam of subjects, clinical data collection, punch biopsies on volunteers, histological grading, and data analysis.
- 2000-2003 *Collaborating Investigator*, Department of Dermatology, Stanford University
Research Topic: A Randomized, Placebo-Controlled Pilot Trial to Assess the Safety and Effects of 5 Different Food Supplements on Skin
PI: Dr. Alexa B. Kimball, MD, MPH; Professor and Director of Clinical Trials, Stanford Dermatology
Role: Major contribution in study design, protocol preparation and IRB submission,

Annie Chiu, MD

baseline physical exam of subjects, punch biopsies, and clinical data collection utilizing tools which measured skin elasticity, trans-epidermal water loss, and conductance.

- 2000-2003 **Research Assistant**, Department of Dermatology, Stanford University
PI: Alexa B. Kimball, MD, MPH; Professor and Director of Clinical Trials, Stanford Dermatology
Role: Assisted in the clinical data collection on various trials, including a clinical trial on immunologic gene expression in skin and blood samples from patients with psoriasis, atopic dermatitis, and normal volunteers; an open-label study of recombinant human relaxin therapy in subjects with systemic sclerosis; and a clinical study testing the efficacy of “Sea Safe lotion” in preventing *Chrysaora* jellyfish stings.
- 1996-1997 **Research Assistant**, Nutrition Department, University of California at Berkeley
Research Topic: Elucidation of pathways of substrate flux in non-insulin-dependent diabetes mellitus using mass isotopomer distribution analysis.
PI: Dr. Marc Hellerstein
Role: Contributed in data collection and analysis, laboratory protocol design and execution.

ORAL AND POSTER PRESENTATIONS

“Clinical Trials Forum: Survey Studies, Basic Principles” Oral presentation, *American Academy of Dermatology Annual Meeting*, New Orleans, February 2011

“Cosmeceuticals.” Oral presentation at *Grand Rounds*, Emory University, Atlanta, Georgia, 2006

“Familial Multiple Cutaneous Leiomyomata Syndrome.” Oral presentation at the Gross and Microscopic Symposium, *American Academy of Dermatology Conference Annual Meeting*, San Francisco, March 2006

“Fever of Unknown Origin and Hepatic Granulomas: A Diagnostic Challenge.” Poster presented at the *Society of Hospital Medicine Annual Meeting*, New Orleans, Louisiana, April 2004

“Systemic Sarcoidosis Presenting as Fever of Unknown Origin with Hepatic Granulomatosis and a Normal Chest Roentgenogram.” Poster presented at the *Society of General Internal Medicine, California Regional Meeting*, San Francisco, California, March 2004

“The Effect of Gender on Workforce Patterns of Recent Dermatology Program Graduates.” Poster presented at the *International Investigative Dermatology Meeting*, Miami Beach, Florida, April-May 2003

“The Role of Fellowships in Workforce Patterns of Recent Dermatology Graduates.” Poster presented at the *International Investigative Dermatology Meeting*, Miami Beach, Florida, April-May 2003

“A Double-Blinded, Placebo-Controlled Trial to Determine the Role of a Combination of Systemic and Topical Green Tea in Improving Skin Appearance and Protecting from Damage Secondary to Ultraviolet Radiation.” Poster presented at the *American Academy of Dermatology Annual Meeting*, San Francisco, March 2003

“A Double-Blinded, Placebo-Controlled Trial to Determine the Safety of 5 Different Nutritional Supplements.” Poster presented at the *American Academy of Dermatology Annual Meeting*, San Francisco, March 2003

“A Randomized Placebo-Controlled Pilot Trial to Assess the Effects of 5 Different Food Supplements on Skin Elasticity, Trans-Epidermal Water Loss, and Skin Conductance.” Poster presented at the *American*

Annie Chiu, MD

Academy of Dermatology Annual Meeting, San Francisco, March 2003

“Efficacy of Jellyfish Sting Inhibitor in Preventing Chrysaora Jellyfish Stings in Normal Volunteers.”
Poster presented at the *American Academy of Dermatology Annual Meeting, San Francisco, March 2003*

“The Response of Skin Disease to Stress; Changes in the Severity of Acne Before and After Exams.”
Oral presentation at the Residents and Fellows Symposium, *American Academy of Dermatology Annual Meeting, San Francisco, March 2003*; Oral presentation at the *Annual Stanford University Medical Student Research Symposium, May 3, 2002*; Poster presented at the *Society of Investigative Dermatology, Los Angeles, CA, May 18, 2002*

“Cytarabine-induced acute generalized exanthematous pustulosis (AGEP).” Oral presentation at the Gross and Microscopic Symposium, *American Academy of Dermatology Conference Annual Meeting, New Orleans, LA, February 23, 2002*

PROFESSIONAL ASSOCIATIONS

- American Academy of Dermatology
- American Society for Dermatologic Surgery
- Women’s Dermatologic Society

CONSULTANT, COMITTEE and COMMUNITY INVOLVEMENT

- 2012-current **Young Physicians Committee**, American Academy of Dermatology
- 2012-current **Fundraising Committee**, Women’s Dermatologic Society
- 2012-current **Consultant**, Vichy, USA
- 2011-current **Expert Spokesperson**, Temptu Cosmetics
- 2011-current **Consultant**, La-Roche Posay, US
- 2011 **Chair**, Play Safe in the Sun Coast to Coast Program : Hermosa Beach Smackfest
- 2011 **Co-Chair**, Play Safe in the Sun LPGA Event at the Kia Classic
- 2010-current **Speaker**, SkinMedica
- 2009-2011 **Consultant**, University of Inclusive Health
- 2009-2010 **IDEA Panel**, American Academy of Dermatology
- 2009-current **Co-Chair, Young Physicians Task Force**, Women’s Dermatologic Society
- 2009-2010 **Board of Directors**, Women’s Dermatologic Society
Young Physicians Representative
- 2008-current **Consultant**, Galderma
- 2008-2010 **Membership Committee**, Women’s Dermatologic Society
- 2007-current **Patient Advocate Task Force**, American Academy of Dermatology
- 2007-2008 **Task Force for Renewal Retreat**, Women’s Dermatologic Society
- 2006-2008 **Legislative Liason**, Skin Disease Research Day in Washington DC
- 2006-2007 **Consultant**, Amgen
- 2003-2004 California Medical Association

Annie Chiu, MD

Resident Representative

- 1999-2003 Stanford University, School of Medicine
Admissions Committee

EXTRACURRICULAR

- **Expert writer**, *InWithSkin, Beauty Talk, Prevention Magazine, Weight Watchers Magazine*
- **Contributing writer**, Women's Dermatologic Society Newsletter
- **Television Segment Host and Crewmember**, "OnCall," an award-nominated biweekly 60 minute public access cable television program on Mid Peninsula Public Access.
- **Director**, Medicine and the Media student group.
- **Co-Author**, He said, She said: Berkeley Food Culture and the Foodie Experience, in press.
